WHISKY LIVE PARIS 2022 - The LARGEST EVENT In EUROPE Of INTERNATIONAL TASTING

DEDICATED TO WHISKY AND FINE SPIRITS

PARIS, 13.10.2022, 14:13 Time

USPA NEWS - Since 2004, the Paris edition of Whisky Live has continued to grow, every year drawing more and more exhibitors from around the world, as well as fans of malt, rum and all types of spirits and mixology. Today, Whisky Live Paris is undeniably the largest event in Europe dedicated to whisky and fine spirits. Many distilleries also use the event as an opportunity to reveal their major new releases in world exclusives.

Since 2004, the Paris edition of Whisky Live has continued to grow, every year drawing more and more exhibitors from around the world, as well as fans of malt, rum and all types of spirits and mixology. Today, Whisky Live Paris is undeniably the largest event in Europe dedicated to whisky and fine spirits. Many distilleries also use the event as an opportunity to reveal their major new releases in world exclusives.

The origin of whiskey began over 1000 years ago when distillation made the migration from mainland Europe into Scotland and Ireland via traveling monks. The Scottish and Irish monasteries, lacking the vineyards and grapes of the continent, turn to fermenting grain mash, resulting in the first distillations of modern whisky.

As the European colonists began to arrive in America, they brought with them the practice of distilling whiskey. Many Scottish and Irish immigrants settled in their new territories, eventually beginning to distill their new types of grains and mash.

During the Prohibition era in the United States lasting from 1920 to 1933, all alcohol sales were banned in the country. The federal government made an exemption for whisky prescribed by a doctor and sold through licensed pharmacies.... Whisky is a strictly regulated spirit worldwide with many classes and types. The typical unifying characteristics of the different classes and types are the fermentation of grains, distillation, and aging in wooden barrels.

Whisky or whisky-like products are produced in most grain-growing areas. They differ in base product, alcoholic content, and quality.

Different Types: American, Australian, Canadian, Danish, French, Georgian, German, Indian, Irish, Mexican, Japanese, Scotch, Swedish, Taiwanese, Welsh...

Exhibitors Present in Whisky Live Event 2022

September 24-26 @ La Grande Halle De La Villette

Scotland - USA - Asia / Oceania - Europe - Ireland - France - Japan (Saké Area)
